In Oct. meeting a secret pal for Gerie and other new members will be determined.

It needs to be understood that the Hostess of the month is responsible for calling members if the meeting place is to be changed for any reason. It is not the responsibility of the officers.

The 50 year celebration for Durham Eastside Social Club is forthcoming. It was thought that we might look into the history of the Club and invite all old and current members for the Celebration.

Contact: Pearl, Florel, Hazel, Blanche and Laura regarding new time.

Grandma McNaair brought a beautifully sewn & embroidered mushroom and Owl Note Bag. Chances will be sold at .50¢ per chance (one lady to win). The paying of \$1⁰⁰ ($\frac{1}{2}$ dues) now would be good until next year in March 1980 when the full \$2 per year would become due on a future annual basis.

The new officers will be:

President	Nathie Nantz
Vice President	Opal Floyd

Sunshine	Grandma McVair

Our June meeting is to be a potluck at Durham Park. New - this announcement brought to light a annoying bit of information printed in the back of the Durham.

That in order for Durham residents to meet together at the park (in the new section) they would herein be charged \$10.00 fee (or more, depending on size of group.)

It was stated that we don't like the idea of such information being smuggled in back of a swim schedule (which has little to do with most families who have grown-up children and care nothing about the Pool hours.) Shanda said they should have to reprint the article under a separate title so it would really reach the people interested in the use of the Durham Community Park.

Grandma McVair stated that when people bought land in the "Durham Land Colony" the Park was established and set aside for the Land Colony residents use - the Durham Recreation Park District never existed, nor does it have the right to charge residents for the use of the park they set aside. Taxes pay upkeep.

It was agreed by the Durham Eastside Club members in attendance that a Delegation of as many members as possible attend the June 6, 1979 8 PM Weds. Meeting of the "Durham Recreation and Park District Committee" to protest the point of residents being charged to enjoy their own park. The Recreation and Park Committee meets the first (1st) Wednesday of each month at 8 PM in the old shop building behind the Dwight Brinson Swim pool.

The motion to send a delegation to this meeting was made and carried. Opal Singer, Eva McNair, Vi Miller and Kathie will try & attend.

A petition was sent around the room for ladies to sign if they protested to paying for the use of the Park. This petition will be presented to the Park Committee June 6.

The debate over the Park went on for a time and was very interesting.

In the middle of the meeting a delivery man came with a dozen long-stem roses for Ginger Arney from her daughter Donna, for Mother's Day.

The cards & Gifts were handed out, and the meeting adjourned.

~ June 1979 ~

The June "Potluck" at the Durham Park was very pleasant.

Aerie Gilley, Opal Floyd, Kathie Danks and Lillie Hook attended, also Dorothy Duncan

Alice Summers could not attend but was sweet enough to surprise us, by her daughter Danna brought a big ripe, juicy watermelon!! We all hoped Alice's leg would be better soon.

came after we ate but in time to visit. Also Mrs. Dorsey (the retired schoolteacher) was at the park with her grandchild and stopped at our table to visit awhile.

Kathie Danks made the motion to ask Club members in September about a "Fund Raising Drive." Club members make such beautiful items from croqueting to painting. Items could be raffled off at the Durham Country Market and within the community. Profits to be

(over)

used to: (1) Provide more Club Outings for members. Example: Classic movies such as "Oklahoma South Pacific" or something we would all enjoy on an afternoon. (2) more luncheons - say Christmas and Valentines Day or what ever month we just feel like some special treat for our nice members. (3) Tours through Bidwell Mansion or other interesting places.

(2) Part of the profits could also be donated to different charities such as: Diabetes Heart, Fire Dept, Children Home Society, Oroville Rescue Mission or the charity most members vote in favor of.

We all look forward to our annual luncheon and enjoy it so much. Why not do things more than once a year.

We parted at the park hoping we'd all meet again at the September meeting.
