Contribution 15.00
~~\$10.00~~

Glen Crenshaw, Hattie Morgue, Rick Peterson, and Zorka McDonald, valued co-workers with me in the church, co-signed with me a letter dated December 12, 1975, asking people of the community to help us with a \$1,405.27 bill for our lawn sprinkling system. Your contribution, listed above, along with the gifts of others, enabled us to pay in full the \$1,405. 27 bill. Thank you very much for helping with the beautification of our church. The help of Paul Henry and Pat Keyser in getting the letter out is also gratefully acknowledged.

May the Lord Bless You and Yours,

Jim Patterson

ARTS AND FLOWERS — This year's flower show sponsored by the Garden Section, Durham Woman's Club, is themed "Arts and Flowers." The event will begin at 1 p.m. April 30 in the multipurpose room of Durham Elementary School. Making a flower arrangement with orchids from the greenhouse of Mrs. Emery Ewing are (left to right) Mrs. Jay Gardner and Mrs. Ewing. Highlighting the show will be a silver tea and plant sale. Community members are invited to show their spring flowers now in bloom or a favorite house plant. The show, free of charge, is open to the public. (Enterprise-Record Photo by Brenda Brimhall)

State Speaker

Junior Members Are Guests Of Durham Woman's Club

DURHAM (E-R) — Durham Woman's Club had as its special guests members of the Durham Junior Women's Club at its March 13 meeting in Memorial Hall.

The Juniors were hosted to a potluck dinner and heard a special guest speaker, Mrs. Betty Thompson of Sinai, state scholarship and education chairman, California Federation of Women's Clubs.

Mrs. Thompson's theme was "Yours, Mine, Ours," and spoke of the educational problems being felt by all school districts in California. She noted that one of the main problems is finance and the inequality of education provided students from rich districts as compared to poorer districts. In many areas, teachers have 35 students in a class at the elementary school level, making it difficult to teach the fundamentals of reading so important to progress in all areas of learning.

She noted three areas that parents can help. First, in understanding the problems of their own areas. By assessing their schools, knowing the teachers, board members, and seeing their problems parents can determine what areas need help. Second, by encouraging programs in the schools such as venereal disease and drug education. Third, by helping the schools in areas as tutoring or teacher aides.

She finished her talk by noting that "you are never too old to learn." She used as an example, senior citizens living on a fixed income and trying to cope with the rise in living costs. Classes for these people are needed to help them learn how to live on their income successfully. She encouraged going back to school, even if just pleasure classes as painting or photography. "Listen to the young people," she noted. "They are your kids, our kids, our future."

Also on the agenda for entertainment was the Durham High School chorus under the direction of Margie Schuler. The group presented three numbers, "Hi Ho," "Going Out of my Head," and "You'll Never Walk Alone."

The business meeting was opened by Mrs. Bernice Abshier, president of the Durham Woman's Club, followed by an inspiration by Mrs. Albertine Cain. It was announced that a total of \$725 had been received to this date for the Durham Volunteer Fire Department from the Mexican dinner jointly sponsored by the two groups. Mrs. Blanch Gardner was presented a trophy stating her as "World's Greatest Salesman" for selling \$108 worth of tickets to the dinner. Mrs. Judy Petrucelli, cochairman of the Mexican dinner, thanked the groups for their help and cooperation.

It was noted that the Shasta District CFWC convention will be April 12-13, in Redding at the Holiday Inn this year. All members were urged to attend.

A report for the nominating committee was given. Nominated for office next year were Mrs. Abshier, president; Mrs. Frances Olsen, secretary; Mrs. Betty Buskirk, treasurer; and Mrs. Cain, auditor.

It was noted that the Durham Volunteer Fire Department will be holding a Bean Feed and Dance on March 23 at the Durham Memorial Hall. There would be a work session at the hall at 1:30 p.m. to assist with the preparations for the dinner.

Under introductions, special guests included Mrs. Judy Wagoner, recording secretary, CFWC Junior Membership, Mrs. Donna Christopherson, Americanism chairman, CFWC-JM; Mrs. Peggy Norlie,

president of the Durham Junior Women's Club; and Mrs. Marge Coon, Shasta District president, CFWC. Visitors attending the meeting and introduced were Mrs. Grace Viola, Mrs. Frances Goettsche, Kathy Johnson and Pauline Miller.

Prior to adjournment Mrs. Alys Walters won a painting donated by Mrs. Frances Stephens. Proceeds of \$70 from the painting project sales will go into a scholarship fund.

Dear Members,

Thank you for your donation toward the playground equipment for the girls and boys of the elementary school.

Each day I become more aware of just how much people do care for the concern and happiness of others. Your gift touched my heart because you thought enough of me, who is a stranger to many of you, yet, you cared enough to give to our girls and boys. This equipment will help develop their bodies.

Thank you for your kindness and your friendship.

Love,

Melba Bailey

Durham, CA 95938

Dear Members:

The Shasta-Trinity National Forests would like to express our appreciation to you for your recent contribution to the Penny Pines reforestation program. A receipt for \$68.00, and the Certificate documenting this donation are enclosed.

You asked that your contribution be applied to the Fountain Fire area. The forest land burned in that fire was mostly private land which has been cleared and planted by the private parties.

Your funds are being used to help establish a new Penny Pines Plantation on the McCloud Ranger District which will be called the Bigelow Penny Pines Plantation. An environmental analysis is scheduled for this spring, site preparation work this summer, and the trees will be planted in the Spring of 1995.

Bigelow Plantation encompasses 35 acres and is located in T.39N., R.2W., Section 1, MDM. The site is mostly grass, brush and scattered trees. No removal of existing trees is planned. A sign will be erected at the site which will acknowledge your contribution. A detailed map is enclosed.

Your participation in this program is truly appreciated.

Sincerely,

ROYAL MANNION
Public Affairs Officer

Dear Ms. Shields:

Thank you for your recent donation to the Penny Pines Reforestation Program. Your check has been forwarded to the Shasta-Trinity National Forest for deposit to their "Penny Pines" Conservation Work Fund.

You will soon receive an acknowledgement letter and your Penny Pines Certificate directly from the Supervisor of the Shasta-Trinity National Forest who will provide you with information and a map of the plantation location at your request.

I am enclosing for your information a copy of the latest Penny Pines information brochure and progress report.

Thank you for your interest in the Penny Pines program and your National Forests. If I may be of further assistance, please contact me. My phone number is (415) 705-2619.

Sincerely,

BRENDA G. KENDRIX

CONSERVATION AGREEMENT
FOR
PENNY PINES PLANTATION

Regional Forester, U.S. Forest Service
630 Sansome Street
San Francisco, California 94111

Date February 10, 1994

Dear Sir:

We understand that upon contributing \$68.00, the Forest Service, as part of its regular reforestation program, will plant trees on about one acre in a National Forest in California.

The Forest Service will provide to the plantation the same protection from fire, insects and other hazards given other National Forest areas. The plantation will be marked with a standard Forest Service sign. We desire the name of our organization, as contributors, to appear on the sign as follows:

DURHAM EASTSIDE SOCIAL CLUB

(Each contributing organization will be listed only once at any plantation. The name of any individual member of an organization will be shown only on the PENNY PINES Certificate.)

The plantation will be the property of the people of the United States as a part of the National Forest in which it is located and subject to multiple use management.

It is understood that each contribution of \$68.00, or multiple thereof, will be made payable to USDA—FOREST SERVICE and mailed to Penny Pines Coordinator, U.S. Forest Service, 630 Sansome Street, San Francisco, California 94111. Such contribution is for deposit to a Cooperative Work Fund as authorized by the Act of June 30, 1914 (16 U. S. C. 498) and is to remain available until expended to assist in the reforestation of National Forest lands.

It is understood that no Member of or Delegate to Congress or Resident Commissioner, shall be admitted to any share or part in this agreement, or to any benefit that may arise therefrom and that the accomplishment of the Forest Service's share of this agreement is contingent upon the appropriation of funds by Congress.

This agreement covers the initial and any subsequent contributions which may be made by the contributor during the period of this agreement. The period of this agreement shall be from the date shown until cancelled by written notice from one party to the other.

Very truly yours,

James A. Shields, Treasurer

Dear Ms. Shields:

I am pleased to present your organization with a certificate of appreciation and a plaque to commemorate your contribution to the Penny Pines Plantation program on the Mc Cloud Ranger District of the Shasta-Trinity National Forests. The Penny Pines effort has a wonderful history in reforestation on National Forest lands. Your organizations' donation has helped to continue this program on your National Forests.

Our plans to plant trees at the plantation had to be revised due to a snow storm on Saturday, April 8th. We are not planning to have another scheduled ceremony. We would, however, be happy to have your group visit the plantation with us and discuss reforestation on your National Forests. Please call Frank Del Carlo if you would like to set up an appointment.

Once again, thank you for your contribution, we appreciate it!

Sincerely,

for Frank Del Carlo

Sara Baletto Director

McCloud, USFS celebrates Penny Pines Anniversary

Representatives of the U.S. Forest Service, McCloud Ranger District, Women's Clubs, Garden Clubs and individual contributors from northern California will gather in McCloud to dedicate the Bigelow Penny Pines Plantation at 11 a.m. on April 8.

The Bigelow Plantation encompasses 35 acres and is located approximately five miles from McCloud. The area will be planted with several native species of trees. A sign was installed identifying the Bigelow Penny Pines Plantation, and individual plaques acknowledge each contributor.

The Penny Pines Movement was started by the Sportswomen's Club of San Francisco 55 years ago. One year later Penny Pines was adopted as a part of the program of the California Federation of Women's Clubs. In 1941 the McCloud Women's club paid for 1,000 trees to be planted.

The aim of Penny Pines is to promote additional public understanding of the needs for reforestation and the conservation and wise use of our natural resources. Working together, the USFS and contributors have established plantations all over the country.

Frank Del Carlo, U.S. Forest Service culturist presented McCloud Garden Club president, Margaret Stoner, right, with a certificate of appreciation and plaque acknowledging the club's contribution to the Penny Pines Program.

Mt. Shasta Herald 3/29/95

Storm blows Penny Pines dedication

By Gene Eagle

Representatives of the U.S. Forest Service, McCloud Ranger District and several members of the McCloud Garden Club gathered at district headquarters Thursday, April 8th at 10 a.m. in preparation for the Penny Pines dedication which was scheduled to take place at the Bigelow Plantation five miles east of McCloud.

However, heavy snowfall and hazardous highway conditions kept many of the out of town contributors from attending, leading to a decision to forgo the dedication as planned.

Frank Del Carlo, U.S. Forest Service culturist for the McCloud Ranger District, talked and answered questions

for those who were present. He spoke of the "History of Reforestation" and the conservation and wise use of our natural resources.

At the conclusion of the program he presented the McCloud Garden Club president, Margaret Stoner, a certificate of appreciation and a beautiful plaque acknowledging the club's contribution to the Penny Pines Program.

In recognition of the public's participation, Del Carlo said, "The McCloud Ranger District, Shasta Trinity National Forest would like to thank everyone who has donated to a Penny Pines Plantation. These plantations are a living tribute to a heritage for the future."

Dear June and Members of the East Side Social Club,

This letter is to convey our appreciation and sincere thanks for the donation of the Tulip trees to our community park. It is impossible for us to express our gratefulness.

A district as small as ours needs the support of the public which it serves, whether it comes in the form of new ideas, actual labor, material or money donations to accomplish improvements and maintenance. With your help and the help of others we can continue to make the Durham Recreation and Park District a source of pride for the entire community.

Again, thank you for your donation.

Sincerely,

James F. Brinson
District Manager
Durham Recreation and Park District
