Doug was born June 12, 1943 in Willits, CA. Lived in Fort Bragg until age of 7. I have one brother Bruce who was born in Fort Bragg. We moved to Willows where our father and grandfather were born and raised. Graduated Willows High School in 1961. GO HONKERS! Graduated Cal Poly in San Luis Obispo in 1966 with a degree in Mechanical Engineering. Married Sandra (Sandy) Westerlund July 4, 1964. Oldest daughter (Cheryl) was born April 14, 1965. Yeah, 9 months and 10 days after wedding. Second daughter (Debbie) was born May 22, 1967. Moved to Concord, CA upon graduation from college. Spent 8 years in engineering, most of it with Grove Valve and Regulator Co. I didn't work on the project but we provided pressure regulators on the moon landers. My biggest accomplishment came on the transalaska pipeline. I have 26 mainline ballvalves and sphereloks (they weigh about 50,000 lbs each) on the pipeline. Sept. 29, 1971 was the arrival of our son Keith. In 1974 I had a chance to work in the heating and air conditioning field. 1976 found us moving to Biggs, CA. I worked in the heating and air conditioning field until April 1, 1980 when I opened my own heating and air conditioning business. DASL Heating & Air Conditioning was born. DASL stands for Douglas Allen (my name) and Sandra Lee (Sandy's name). In 1990, Cheryl married and has 2 daughters in college. In 1999 Debbie married and has 2 sons. One in high school and one in elementary school. In 2002 Sandy went downhill and passed away in 2004 after 40 years of marriage. I then married Kathy in 2006 and we moved to Paradise, CA. We were invited to a Good Sams campout by Jim and Judy Warren and joined in the fall of 2009. My marriage to Kathy fell apart and we divorced in 2010. I met RexAnne Harshfield on Match dot com in the spring of 2012. We bought a home in Brownsville, CA. I finally retired in 2013. I was treasurer for Durham Good Sams for 2 years.

RexAnne was born March 26, 1945 in Longbeach, CA. Her family moved to Ventura, CA in 1950. RexAnne has one sister, Pat. RexAnne attended school there and graduated from Ventura High School in 1963. She married and moved to Seattle WA for a while. The marriage resulted in the birth of 3 children, Charlene, Patrick and Michael. Eventually they moved back to Ventura where the marriage ended in divorce. RexAnne obtained her AA degree in nutrition from Ventura Junior College. She worked in the food industry for 26 years. In 1987 she moved to Chico, CA. Tragedy struck in 1988 when her son Patrick was killed in a helicopter crash while in the Air Force. She did some home health care and eventually went to work at Enloe Medical Center in Chico, CA in 1999. She retired from fulltime work in 2011. She worked parttime for 2 more years. During this time, she found Douglas Martens on Match dot com. They have been together for 4 + years. They bought a home in Brownsville, CA in the fall of 2012.
