

Photographs Being Reviewed  
By Rian Farley

Shown reviewing various photographs and documents is Dale Wangberg, member of the Preservation and Digitization Committee, a sub-group of the Durham Friends of the Library, and District 4 Supervisor Steve Lambert. The Durham FOL is sponsoring the first of its kind Digitization project in Butte County. The project will be undertaken this year, with the full cooperation and support of both the Butte County Board of Supervisors and Butte County Librarian Melanie Lightbody.

The committee's efforts to preserve historic newspapers and documents from the community will begin with the digitization of newspapers from various eras, and the preservation of school photographs, which the group is seeking help in identifying by class year and names of the students.
